Dear Hillier Scholarship Recipients;

Since 1997, the James Hillier Foundation has bestowed scholarships for university to Brant County high school students wishing to pursue a career in scientific research. This year marks the 16th year for the program and to date 45 local students have been awarded university scholarships worth over \$739,000.

2012 Scholarship Recipients

Jeremy Gooden and Adam Sage both from Brantford Collegiate Institute and Colin Pavan from St. Johns College, were presented with their awards on June 28, 2012 at the fifth annual Innovation Day at Apotex Pharmachem, Brantford.

Keeping in Touch

Abhinay Kondamreddy, a 2008 recipient, was good enough to bring us up to date with his experiences since he was awarded the Hillier scholarship.

The Director's of the Foundation want to keep in touch with you and secure your guidance to ensure we are providing the appropriate direction to the Foundation that Dr. James Hillier envisioned. If any member of the alumni would be interested in participating on the Board of Directors, we would like to hear from you.

Additionally, we need your help in keeping us up to date with your e-mail address. We are still trying to make contact with a number of you and to help us with that endeavour; we are providing parents with a copy of this news letter.

Please forward your email to info@jameshillierfoundation.com.

Best Regards,
