### **Keeping in Touch**

The Directors of the Foundation want to keep in touch with you and secure your guidance to ensure we are providing the appropriate direction to the Foundation that Dr. James Hillier envisioned. If any member of the alumni would be interested in participating on the Board of Directors, we would like to hear from you. Last year several of you expressed their desire to serve on our board and your names will be considered as board openings become available.

Additionally, we need your help in keeping us up to date with your e-mail address. We are still trying to make contact with a number of you and to help us with that endeavour; we are providing parents with a copy of this news letter.

Please forward your email to [info@jameshillierfoundation.com](mailto:info@jameshillierfoundation.com).
